C. Claims by Class Members

- i. *Requirement to Submit Timely Administrative Form*
5. Class Members shall complete an Administrative Form in order to be eligible to receive payments from the Claim Fund. This form must be completed and submitted to the Claims Administrator within ninety (90) days of Final Approval.

6. If the Claims Administrator finds that deficiencies exist in an Administration Form, the Claims Administrator shall forthwith notify the Class Member of the deficiencies. The Class Member must correct the deficiencies to the satisfaction of the Claims Administrator by the deadline set out in section 5.
7. Class Members who submit a late Administrative Form for any reason will only be eligible to receive any compensation in the event there are surplus funds remaining after the distribution, for example due to stale dated cheques, or in the event the holdback for administration or taxes exceeds what is required. Payments to Class Members who submit late Administrative Forms are in the discretion of Class Counsel and may be in amounts less than the compensation provided to Class Members who submitted a timely Administrative Form, depending on the sufficiency of funds. There is no appeal regarding the determination that an Administrative Form is late or from the amount of funds provided to Class Members who submitted a late Administrative Form.
8. An Administration Form will not be considered late solely because the Class Member is required to prove their membership in the Class pursuant to the process set out in paragraphs 9-11 below, where the Class Member submitted their Administration Form to the Claims Administrator prior to the deadline and the Administration Form was otherwise complete.

i. Confirmation of Membership in Class

9. The Claims Administrator shall verify that the Class Member's name appears on the Class List provided by the Defendants. Where an individual submits an Administrative Form and their name is not on the Class List, the Claims Administrator will ask the individual to provide proof of membership in the Class within thirty (30) days. The Claims Administrator and/or Class Counsel may also ask the Defendants to confirm the individual's employment history and membership in the Class. The Claims Administrator shall determine the individual's membership in the Class within ten (20) days of the date the individual provides proof of Class Membership.
10. Proof of Class membership may be provided by submission of documents such as employment agreements, tax forms, paystubs, and uniform deduction/return agreements. The Claims Administrator and/or Class Counsel may request the Defendants to review any documents submitted to verify their authenticity.
11. If an individual disagrees with the determination by the Claims Administrator regarding their membership in the Class, such dispute shall be referred to an independent referee for a binding determination. The individual is responsible for paying the cost of the referee's fee, not to exceed \$75. The referee shall issue a written decision within ten (10) days, and is not required to provide reasons. The decision of the referee is final and not subject to any appeal.

ii. Distribution of Amounts by Issue

12. The Class Action raised four main issues:

- a. Pre-Shift Time
 - b. Overtime Averaging
 - c. Training
 - d. Uniforms
13. Every Class Member who completes an Administrative Form shall indicate which of the four issues he/she seeks to claim compensation. Class Members may be eligible for more than one issue.
14. Every Class Member who submits a timely Administrative Form is eligible for issues 12(a), (c), and (d).
15. Only Class Members who worked for Primary Response Inc. at any point during the period August 5, 2016 to January 15, 2018 and who submit a timely Administrative Form are eligible to claim for issue 12(b).
16. The amounts to be distributed by issue shall be directed by Class Counsel. It is estimated that those amounts will be approximately as follows:
- | | |
|-----------------------|--------------|
| a. Pre-Shift Time | \$700,000.00 |
| b. Overtime Averaging | \$600,000.00 |
| c. Training | \$170,000.00 |
| d. Uniforms | \$140,000.00 |
17. The Claims Administrator shall determine the number of Class Members who submitted a timely Administrative Form claiming for each issue. In the case of issue (b), the Claims Administrator may take steps to verify that the Class Member worked for Primary Response Inc. at any point during the period August 5, 2016 to January 15, 2018.
18. The amounts in paragraph 16 shall be distributed on a “pro rata” basis by issue to each Class Member who submitted a timely Administrative Form indicating they wished to claim compensation for that issue. For example, if 6,000 Class Members submit timely Administrative Forms and claim for issue 12(a) and the amount available for distribution for issue (a) is \$700,000, each Class Member would receive \$116.67 for issue 12(a).
19. The amounts for issues 12(a), (b), and (c) are income and the Claims Administrator shall deduct/remit employee and employer portions of CPP, EI and income tax, and prepare T4A forms as necessary.
20. The amounts for issue 12(d) are reimbursements and the Claims Administrator is not required to deduct/remit employee and employer portions of CPP, EI and income tax, or prepare T4A.
21. The Claims Administrator will prepare Notification Letters individualized for each Class Member describing their relative share. A Class Member who disputes their relative share

must notify the Claims Administrator in writing within fourteen (14) days of the date of the Notification Letter. The Claims Administrator may reconsider and correct any errors identified by the Class Member within five (5) days of the receipt of the Class Member's notification of dispute (e.g. if the Class Member's relative share does not reflect that they applied and were eligible for all four issues). If the Class Member continues to dispute the Claims Administrator's decision, such dispute shall be referred to an independent referee for a binding determination. The individual is responsible for paying the cost of the referee's fee, not to exceed \$75. The referee shall issue a written decision within ten (10) days, and is not required to provide reasons. The decision of the referee is final and not subject to any appeal.

22. Amounts may be distributed to Class Members by the Claims Administrator by cheque or e-transfer or electronic funds transfer, within the discretion of the Claims Administrator.
23. Class Members are responsible for providing the Claims Administrator with accurate and timely information to facilitate the distribution of funds. In the case of incomplete, incorrect or missing contact or banking information necessary to distribute funds to a Class Member, and in the case of stale cheques, the Claims Administrator shall make at least one attempt to reach out to the Class Member, and the Class Member shall have thirty (30) days from the date of this attempt to provide the corrected information to the Claims Administrator or to request a fresh cheque in the case of a stale cheque.
24. If the Class Member cannot be located or fails to respond to communication from the Claims Administrator, their funds may be treated as surplus funds available for distribution in accordance with Step 6 described below. The Claims Administrator will provide Class Counsel with information concerning its efforts to contact a Class Member prior to taking this step.

D. Distribution Process

25. Generally, the Claims Administration Process will be as follows

Step 1: Receipt of Administrative Forms and any confirmation of Class Member status/ eligibility

Step 2: Determination of the number of eligible Class Members by issue, confirmation of the amounts available for distribution by issue, and relative share of Class Members.

Step 3: Preparation/distribution of Notification Letters.

Step 4: Distribution to Class Members who submitted timely Administration Forms, and remittances to CPP/EI/CRA as necessary.

Step 5: The Claims Administrator will provide a report on the results of the Administration and Distribution to Class Counsel.

Step 6: If there are sufficient funds (i.e. due to stale cheques, amounts leftover from holdback, etc.), Class Counsel may direct the Claims Administrator to make a further distribution to individuals who submitted late Administrative Forms.

Step 7: If any amount is remaining from the Settlement Amount and the Administrative Holdback after the distribution set out above and the payment of any taxes on account of interest earned in the Trust Account, such amount shall be paid to the Ontario Employment Education & Research Centre (OEERC).

E. Role of Counsel

26. Class Counsel shall oversee the claims process and provide advice and assistance to the Claims Administrator regarding this Administration Protocol and Distribution Protocol and the claims process
27. Notwithstanding the foregoing, if, during the administration process, Class Counsel have reasonable and material concerns that the Distribution Protocol is producing an unjust result on the whole or to any material segment of the Class Members or that a modification is required or recommended, they shall move to the Court for approval of a reasonable modification to this Distribution Protocol or for further directions. Class Counsel shall seek input from the Claims Administrator and Defendants before taking any such steps.

NOTICE OF CERTIFICATION AND SETTLEMENT APPROVAL

HORNER V. PRIMARY RESPONSE INC. AND GARDA CANADA SECURITY CORPORATION

Court File No.: CV-18-00603648-00CP

PLEASE READ THIS NOTICE CAREFULLY

AS IT MAY AFFECT YOUR LEGAL RIGHTS

THE COURT HAS APPROVED A SETTLEMENT IN THIS CASE

THE MANNER IN WHICH CLASS MEMBERS WILL BE COMPENSATED IS

DESCRIBED BELOW

This Notice is published by order of the Ontario Superior Court of Justice

PURPOSE OF THIS NOTICE

On August 20, 2018, a class action lawsuit was commenced in the Ontario Superior Court of Justice by Kionna Horner ("Horner") against Primary Response Inc. ("Primary Response") and Garda Canada Security Corporation ("Garda"). The lawsuit alleges that Primary Response failed to pay wages and overtime owing to Class Members and made unlawful deductions for uniforms ("Class Action"). The lawsuit addresses a period prior to the sale of Primary Response to Garda.

The parties reached an agreement to settle the class action. This settlement has been approved by the Ontario Superior Court of Justice.

This notice describes the settlement in greater detail, including who it applies to, the details of the settlement, and the process by which Class Members will be compensated.

1. WHO DOES THE SETTLEMENT APPLY TO?

The settlement applies to all persons who are members of the class as described in the court order certifying this case as a class action. The class includes:

All security guards (including concierges), mobile security guards, dispatchers/communications operatives, supervisors and mobile supervisors employed by Primary Response Inc. in the Province of Ontario, for the period from February 27, 2011 to January 15, 2018, save and except for those employed under a Collective Agreement (the "Class" and "Class Members").

Members of the Class are bound by the terms of settlement unless they validly opted out.

2. WHAT IS THE CLASS ACTION ABOUT?

There were four main issues raised in the Class Action:

1. Off-the-clock pre-shift work

Primary Response required employees to attend work a minimum of fifteen minutes early in full uniform for a debriefing as part of the shift changeover but had a systemic practice of failing to pay for such work. Rather, employees were paid for their scheduled hours.

2. Unlawful overtime averaging

Primary Response failed to pay class members for their weekly overtime after the expiry of its overtime averaging permit for the period August 6, 2016 to January 15, 2018, before the sale of Primary Response to Garda. There was no permit in place permitting the averaging of overtime from August 5, 2016 to January 15, 2018, and Primary Response failed to pay weekly overtime during this period.

3. Unlawful uniform deductions

Primary Response made deductions from employees' wages for uniforms and other items. The Class Action alleged that the forms authorizing these deductions did not comply with employment standards legislation.

4. Unpaid training

Primary Response required employees to undergo certain training and orientation sessions without pay.

3. WHAT ARE THE DETAILS OF THE SETTLEMENT?

The detailed terms are set out in the settlement agreement between the parties. A copy can be found at <https://primaryresponseclassaction.com/> or <http://primaryresponsesettlement.com/> or www.goldblattpartners.com or by contacting Class Counsel.

Pursuant to the settlement, the Defendants will pay \$2.9 million (the "Settlement Fund"). Payments will be made from the Settlement Fund for Class Counsel Fees, disbursements, a representative plaintiff honorarium, and the Class Proceedings Fund Levy. There will also be holdbacks for administrative expenses and taxes. The remaining amount (the "Claim Fund") will be distributed to Class Members through a claims process overseen by a Claims Administrator, Ricepoint Administration Inc.

Under the Settlement, Class Counsel will direct that a certain amount of the Claim Fund will be allocated to each of the four issues (see above for description of issues). It is estimated that the amounts will be approximately as follows:

- | | |
|-----------------------|--------------|
| a. Pre-Shift Time | \$700,000.00 |
| b. Overtime Averaging | \$600,000.00 |

c. Training	\$170,000.00
d. Uniforms	\$140,000.00

Class Members will make a claim to the Claims Administrator for one or more of the issues. The Claims Administrator will determine how many Class Members claimed per issue and will divide the amounts equally between Class Members for each issue. Only Class Members who worked between August 6, 2016 to January 15, 2018 are eligible to claim for issue (b) and Class Members should only make a claim for this issue if they were subjected to overtime averaging during this period. The amounts in issues (a), (b), and (c) are taxable and subject to employment-related deductions such as CPP/EI, and the amounts in issue (d) are non-taxable reimbursements.

MAKING A CLAIM

To receive a payment under the Propose Settlement you must complete an Administration Form and submit it to the Claims Administrator by the deadline (90 days from Final Approval of the Proposed Settlement). A copy of the Administration Form is attached to this Notice and is also available on <http://primaryresponsesettlement.com/> or you can contact Class Counsel for a copy. The Administration Form should be submitted directly to RicePoint by email, fax, or mail.

If your name is on the Class list provided by the Defendants, you will be considered a member of the Class. If your name is not on the Class List, you may be required to submit documents proving your membership in the Class. If the Claims Administrator determines you are not a Class member, you may appeal to a referee, provided you pay a fee.

The Administration Form allows you to indicate which of the four issues you are claiming (the issues are described above under the heading Brief Description of the Action). You may claim for more than one issue. Any Class Member is eligible to claim for the issues relating to pre-shift time, training, and uniform deductions. Only Class Members who worked at any time during August 6, 2016 to January 15, 2018 may claim for the overtime averaging compensation, and should only do so if they were subjected to overtime averaging.

You are not required to file any documents or other proof to receive payment, but you may be required to verify that you worked for Primary Response Inc. during the relevant periods and are an eligible member of the Class. Class Members who signed a release in favour of Primary Response are not entitled to make a claim for payment under settlement.

The Claims Administrator will provide a Notification Letter describing your payment, and if you do not agree with the amount, you may appeal to a referee, provided you pay a fee.

You will receive payment by your choice of EFT, e-transfer, or cheque.

4. WHAT IS THE EFFECT OF THE SETTLEMENT?

The settlement entirely resolves the issues in the class action.

The settlement represents a compromise of the disputed issues in the litigation. The settlement takes into account a variety of factors including the risks inherent in continuing the litigation and the time that would be required to finally resolve the matter, including appeals.

8. CLASS COUNSEL FEES / CLASS PROCEEDINGS FUND LEVY

The Court has approved payment of Class Counsel fees in the amount of 25% of the Settlement Amount, being \$750,000, plus disbursements of \$4,611.19, plus HST. The Court has approved payment to the Class Proceedings Fund (CPF) of \$96,727.58 for disbursements plus the 10% levy in the amount of \$183,140.12.

The Court has also approved payment of an honorarium to the representative plaintiff in the amount of \$10,000.
